## *Foreword . . .*

Into our school, as into everything else, have come the changes brought about by an all-inclusive war. To portray these changes, as well as to present a record of our usual activities, has been the aim of the staff. With that purpose in mind we have chosen as the theme our school's work program. We have put forth our best effort to make this Washingtonian an interesting one, showing the comic as well as the serious side of school life.

# *The School*

Typical of our desire to help in the winning of the war are the addition of new subjects to the curriculum, selling War Savings stamps, and the devotion of more time to study and less to activities.

MR. LOGAN

MR. OLIVEIRA

MR. FRANCIS

MR. HARROLD

## *Trustees*

In the hands of five loyal men and true rests the guidance of this school. To plan wisely, these men must take into account prevailing conditions and, at the same time, keep an eye to the future.

During this critical year our Board of Trustees has continued an alert and forward-looking policy. Government requests for specialized training of youth to meet war needs have been answered by the addition of new courses and the reemphasizing of others. Special equipment has been provided for the rigorous program of physical training prescribed for boys by our government. The offering in mathematics has been enlarged, and in both day and evening schools technical courses of a practical nature are being offered.

Our trustees have realized that to neglect the education of the future citizens of this democracy is to lose the peace for which this war is being fought.

To Mr. Overacker, Mr. Logan, Mr. Oliveira, Mr. Harrold, and Mr. Francis, we, the Student Body of Washington Union High School offer our deep gratitude.

## *Principal's Message*

The government of the United States has repeatedly made the statement that it needs the aid of education today more than ever before in the history of the nation.

The schools are really a part of the victory assembly lines because they develop in the students the abilities and skills necessary not only to the armed forces but also to that great army of workers behind the scenes. We must have recruits for both of these armies if our democratic institutions are to be preserved. Those of you students who are graduating, I believe, are well equipped to fill your place in the world because you have registered for the refresher mathematics, the necessary shop, physics, home nutrition and other courses geared to meet the urgent need.

The seriousness of purpose shown by the whole student body of Washington Union High School in this second year of war has proved without doubt that each member is keenly aware that history is in the making, that the peace time scale of values must be abandoned, that young people must consequently shoulder heavier loads. Upon student's realization of this changing order depends the future of our country.

## *Student Council*

The Student Council is composed of all the regularly elected Student Body officers and a representative from each class. This group of students acts as the administrative board for the associated students.

Some of the important duties of the Student Council are to plan the budget for the school year and to appropriate sums of money for the various school organizations. The Council makes the decisions on the presentations of all assemblies and sets the dates for the many student activities.

The Council's principal activities this year began with the student body card sale drive and continued with the sale throughout the year of war savings stamps. The members also presented a hilarious assembly that was much enjoyed by the student body as well as sponsoring several special assemblies of outside talent. The advisers are Miss Leachman, Mr. Rees, and Mr. Goold.

## *The Senior Class*

Early in the fall of 1939 a group of new students entered a strange and new environment. They quickly adapted themselves to the new surroundings and took their place in school life. They have proven themselves to be capable and talented students in the journalistic, athletic, scholastic, and dramatic life of the school.

One of the most important activities of the graduating class was the sponsoring of the annual elementary school May Day program which is held for the purpose of acquainting the eighth grade pupil with the school he will enter in the fall.

The Senior Class has twice been awarded first place in the annual song and yell contest; once during its sophomore year and again this year. For the Senior play, given this year in February, "The Importance of Being Earnest" was presented to a full house.

The usual graduation week activities were enjoyed by the seniors beginning with the last Monday of school when the Annuals were given out and continuing through the senior ball to commencement on June 18.

Officers who directed the activities of the Senior Class were: president, Ed. Costa; vice-president, Perry Allen; secretary, Lorraine Alameda; treasurer, Gloria Silva; student council representative, Edward Brazil; Girls' League representatives, Elaine Lewis, Geraldine Goularte; yell leaders, Kenneth Hallen, Rosaline Daviner; advisers, Miss Machado, Miss Rogers, Mr. Brown, Mr. Thornburg, Miss Langeberg.

## *The Juniors...*

In every school activity for three years, the Junior Class has taken an active part. The class has cooperated with the faculty, and lower classmen and shown its ability in every way possible.

Most important to the juniors this year was the purchase of class rings which were ordered the previous year.

This year gave the juniors more opportunities to display their abilities. Many of the students worked on the Hatchet staff. They were well represented in the Vodvil, Christmas Pageant and other school productions as well as on athletic teams.

The scholastic ability has been evidenced by the large number of students who are members of the California Scholarship Federation several of whose officers were juniors.

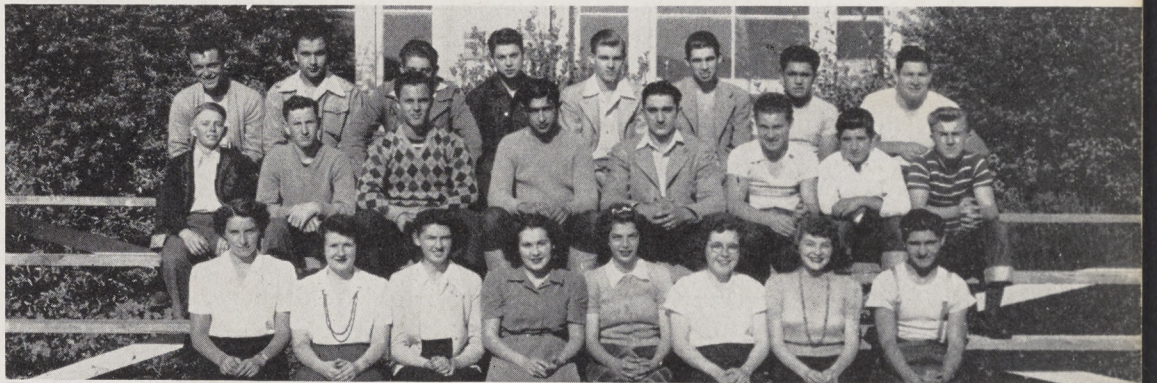

The usual activities of the Junior Class are decorating for Commencement, ushering at Commencement, serving the senior breakfast and presenting a class assembly.

The officers were: president, Louis Rocha; vice-president, Francis Rose; secretary, Anna Blanche Pratali; treasurer, Charlotte Lewis; Girls' League representative, Mary Luiz and Martha Ferraris; Student Council representative, Adele Bertolotti; yell leader, Marjorie Jackson; advisers, Mrs. Morris, Mrs. Wright, Mr. Mette, Mrs. Nelson.

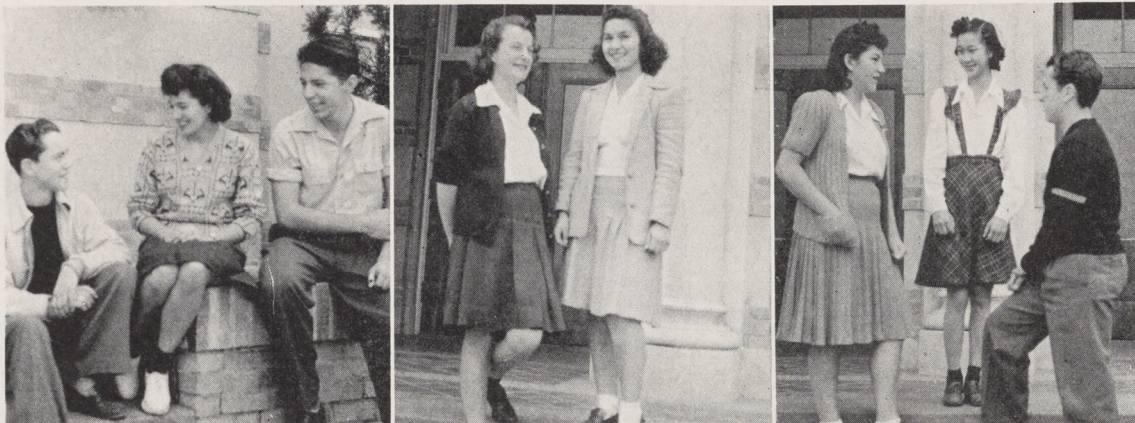

## *Class of 1944*

Donald Silveira, Barbara Ramos, Stanley Maffey, Florence Marie Braun, Velma Telles, Winifred Dias, Rose Fong, Wayne Calhoun.

## *Sophomores...*

On the second lap of its journey the Sophomore Class took up the trail with a year of experience behind it.

The first big event of the year was the Valentine dance presented in February in collaboration with the Freshman Class.

In March the sophomores gave the second of the class assemblies. This was a variety program with a Pan-American theme featuring songs, comic stunts, and instrumental numbers by members of the class.

Perhaps the most important and enjoyable of sophomore duties is decorating the auditorium and halls for the Christmas program and this year the class showed its ingenuity in the effective use of lights and in the village scene in the display case.

Many members of the Class have taken part in athletics, and sophomore members are to be found in all school organizations. The Officers for the year were: president, Donald Silveira; secretary, Barbara Ramos; treasurer, Velma Telles; Girls' League representatives, Winifred Dias, Rose Fong; Student Council representative, Florence Marie Braun; yell leader, Wayne Calhoun; advisers, Miss Wilson, Miss Fournier, Miss Hatch, Mrs. Doane.

## *Class of 1945*

Harold Alameda, Joe Noguera, Ethel Borge, Winifred Pereira, Geraldine Fernandez, Vivian Reina, June Menzies.

## *Freshmen...*

This year a large and enthusiastic group enrolled in the class of 1946. After their visit to the school last spring for May Day they did not feel lost and the practices for the song and yell contest helped them to become acquainted and learn to work together. Officers were elected in November and the class began its year's work eagerly. The freshmen had the honor of presenting the first class assembly of the year and prepared a fine program of variety numbers with a patriotic theme, including a comedy skit, "Little Red Riding Hood."

The next important activity was the Valentine Dance, given jointly with the sophomores. Good music and unusual old-fashioned Valentine decorations added to the success of the evening.

The officers were: president, Harold Alameda; vice-president, Joe Noguera; secretary, Winifred Pereira; treasurer, Ethel Borge; Girls' League representatives, Geraldine Fernandez, June Menzies; Student Council representatives, Vivian Reina; yell leaders, Ed Cardoza and Robert Rose; advisers, Miss Van Winkle, Miss Collins, Mr. Hird, and Mr. Gravestock.

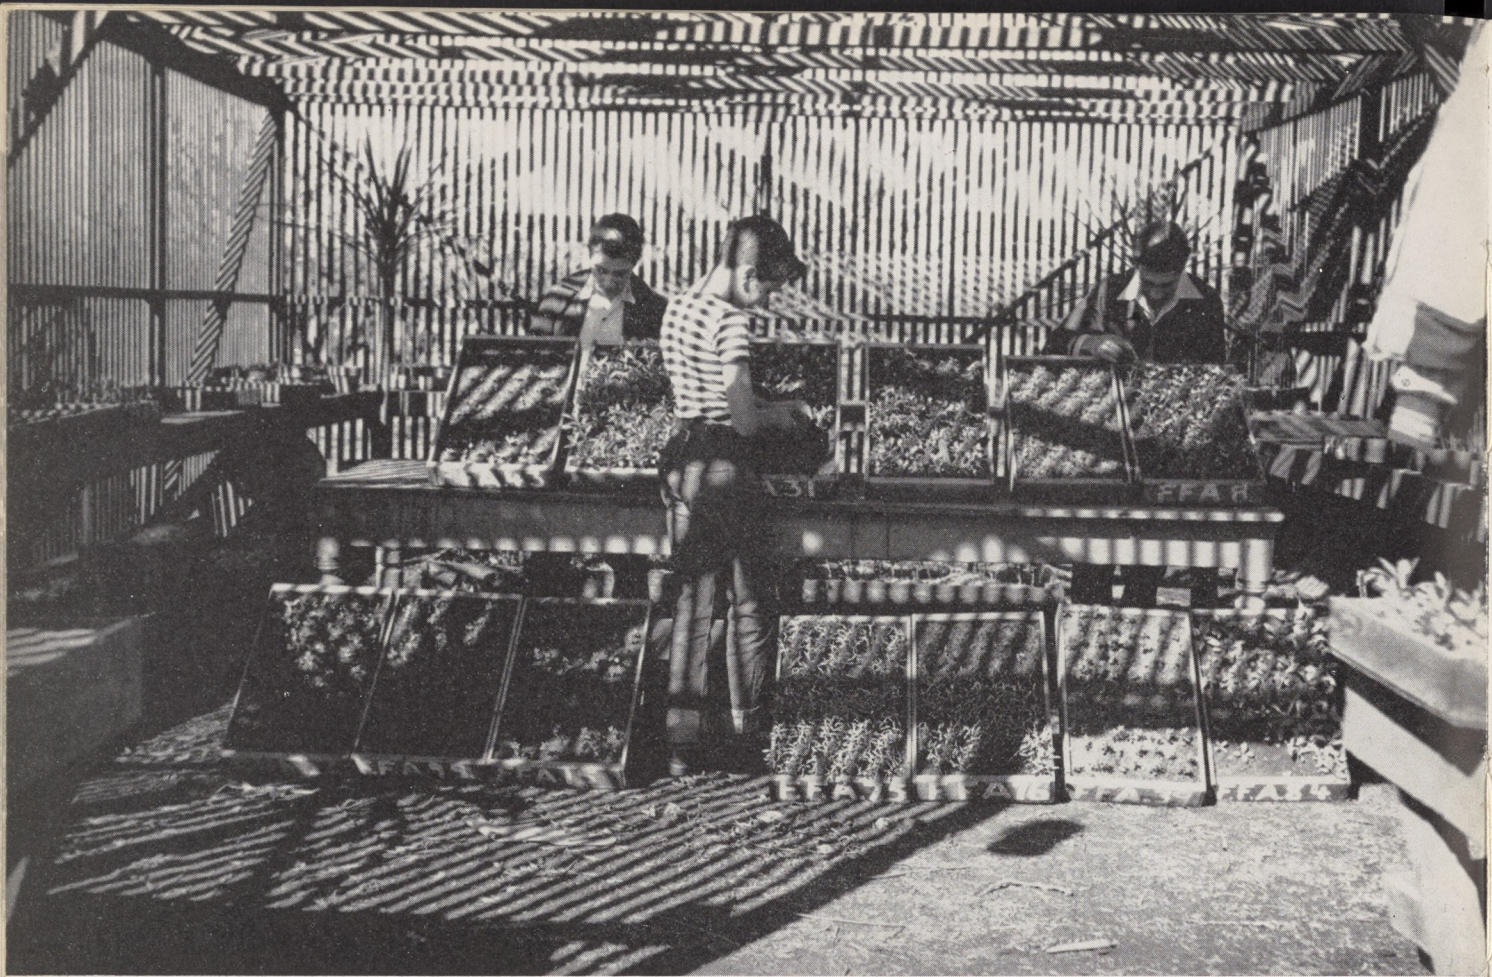

## *Class of 1946*

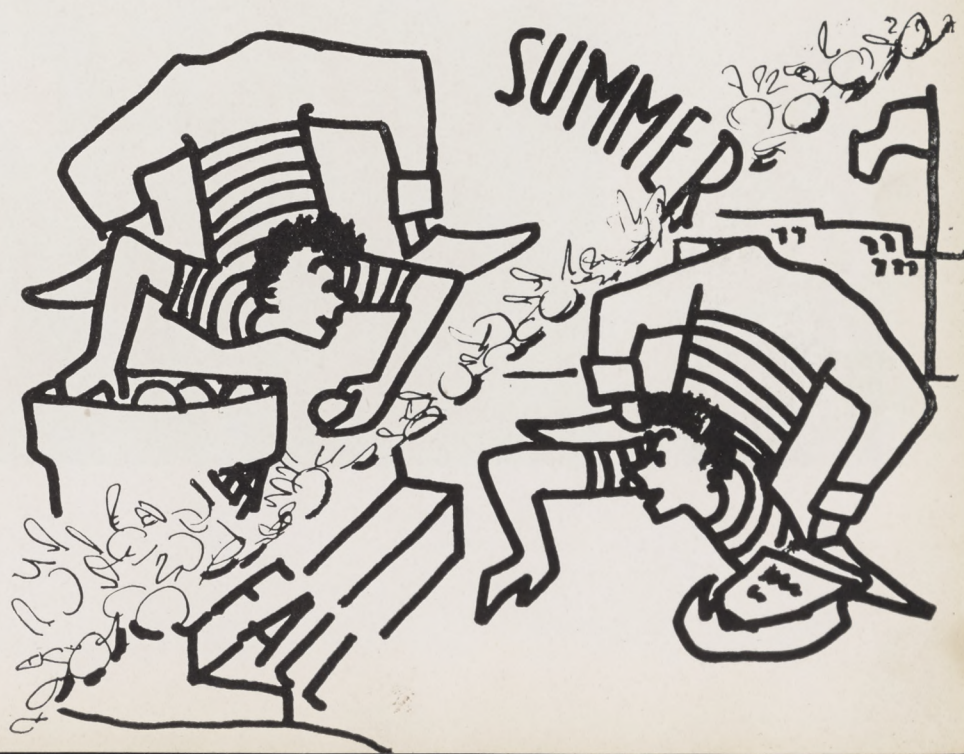

## *Activities*

The regular club activities and publications  
were continued, but added to them we find the  
planting of victory gardens, picking tomatoes  
and other useful outside work.

## Girls' League

This organization, begun in 1919, is made up of all the girls in school. Its main purpose is to promote understanding and friendship among the girls themselves.

This year the Girls' League began its many activities by welcoming the freshman girls at Big Little Sister Day. At Christmas they sponsored an afternoon dance, each person bringing a gift to be sent to our soldiers. The two other successful activities were Cotton Cluster Day and the Mothers' Day Tea. Together with the Girls' "W" Club they gave the annual football dinner, especially honoring the boys going into the service. Two of the former athletic coaches, Mr. Taylor and Mr. Voorhees, now in the service, came back for the dinner.

These activities were carried out under the leadership of Eleanor Enos as president; Avis Alberg, vice-president; Shirley Gaunt, secretary; Lorraine Alameda, treasurer; Loretta Lewis, program chairman; Mabel Enos, ways and means; Betty Bettencourt, hospitality chairman; yell leader, Rosaline Daviner; and Miss Leachman, dean of girls.

## *C. S. F.*

The California Scholarship Federation is an organization advocating thorough scholarship and school service. It is one of the outstanding groups in the school.

Several activities planned prior to the war were regretfully canceled. Chief among these was the District Convention to be held here. However, all members who had totaled the required number of points were given their scholarship pins.

The system of awarding pins has changed, somewhat, from that of previous years. An A in a half solid now counts three points, equal to the number of points in a solid; and a B counts one point. This year no points were given for extracurricular activities.

This has proved to be a successful year with three members receiving the life membership pin which is their reward for six semesters of membership. The officers for the year were: president, Ernest Machado; vice-president, Charlotte Lewis; secretary, Ebba Rae Benbow; program chairman, Sally Logan; advisers, Miss Collins and Miss Rogers.

# Hatchet

During this, the 1942-43, school term, the editor, Maxine Mau, as well as the advisers, Miss Knoles and Mr. Kibby, and the staff have endeavored to uphold the journalistic standards of the Hatchet.

Aiding the editor were the associate editors, Harriett Dias and Rosemary McDonald; business manager, Herbert Dutra; and Lillian Harvey and Ernie Machado, girls' and boys' sports editors.

After Christmas it was found necessary to decrease the publication from a five column to a four column paper but the staff has tried to maintain the interesting features.

On the first page various school activities and general subjects are found. Editorials, the staff, and personal items are found on page two.

Book reviews, Personalities, Former Students and Band Stand are found on page three and on the fourth page are the sports and Future Farmer news.

The paper is made available to the students with student body cards and also is sent to alumni in the armed services.

## *Washingtonian*

Working under such war time difficulties as a reduced budget, scarcity of film and material for covers, it has nevertheless been the aim of the Annual Staff this year to present to the school and to the Senior Class a book that will serve as a reminder of what our school has meant to us. The staff has enjoyed working on this 1943 Washingtonian and it is their hope that the readers will enjoy it too.

The staff includes: editors, Geraldine Bettencourt and Helen Griffin; business manager, Marjorie Jason; classes, Inez Fong; activities, Ebba Rae Benbow; girls' sports, Doris Alameda; boys' sports, Dick Jelleff, Bert Justus, Kenneth Calhoun; pictures, Elaine Galey; dramatics, Beverly Adams; typists, Doris Nunes, Eleanor Kinzli, Margaret Silva; copy editor, Richard Olive; adviser, Miss Van Winkle; covers, Mr. Kibby and the printing classes.

## Girls' "W" Club

The Girls' "W" Club is organized for girls who are interested in sports and in the companionship of other girls who have proved themselves to be good athletes with high ideals of sportsmanship. Admission is gained by earning 700 points through participation in games, 100 points being earned by playing one of the after-school sports.

The club meets the first Tuesday of every month to plan the sports season and to help decide questions of sports standards.

This year the girls planned most of their activities in cooperation with other groups, joining with the Boys' "W" Club for a barn dance and for ushering at our plays, and with the Girls' League in the presentation of the annual football dinner. In addition to these special events the club maintained its regular program of interclass sport competition in basketball, hockey, volley ball, and speed ball.

The officers for the year were president, Rosaline Daviner; vice-president, Doris Alameda; secretary-treasurer, Margaret Grace; yell leader, Evelyn Bettencourt; adviser, Mrs. Nelson.

**Standing:** Mrs. Nelson, F. Hilton, D. Franklin, D. Alameda, G. Silva, M. Brunelli, I. Santos, G. Furtado, D. Freitas, M. Chieng, L. Raymond, I. Fong.

## *Boys' "W" Club*

The Boys' "W" Club is the athletic club of the boys of Washington Union High School. Its object is to promote physical efficiency, good sportsmanship, good companionship, and to create interest in athletics among the boys.

Any boy, who has earned a block in a competitive sport and who has been duly initiated, is eligible for membership. Once a member he has the privilege of admittance to all games played on the home grounds, to vote, and to hold office in the organization.

The Boys' "W" Club in cooperation with other organizations sponsored a dance, directed the Student Body Card Drive, ushered at the annual Vodvil, and financed the annual football dinner which was attended by two former coaches.

"How to Handle Guns," by Major Jerry Wallace, an interesting and instructive assembly, was also presented by the club.

The club functioned successfully under the guidance of the president, Kenneth Calhoun; vice-president, Reuben Ramos; secretary and treasurer, Kenneth Hallen; adviser, Coach Hird.

# Band

The Washington Union High School Band is open to all students who appreciate the fun and relaxation afforded by playing a musical instrument. The band plays, or rather it did play, at all football games until the war put an end to inter-school contests.

The baton is wielded by our capable maestro, Mr. Thornburg, whose duties are not confined to the band alone but to the orchestra as well. This orchestra plays at all dramatic productions presented by the school as well as for many of our assemblies.

The orchestra added life and setting to the senior play by its rendition of Gilbert and Sullivan tunes before the first curtain and between acts. The members also expect to play for the senior commencement.

The school also has classes for beginners who are interested in learning to play an instrument and furnishes instruments for the use of pupils who do not have their own. Altogether these musical groups add much to our school life.

**Upper Row:** Joe Galvin, Ernie Pine, Tony Lacerda, Jack Swank, Frank Silva, Ernest Manuel, Frank Flores. **Middle Row:** Chris Garcia, Norman Andrade, Melvin Mello, John Amaral, Irving Williams, William Rauch, Charles Willis. **Lower Row:** Edward Cardoza, Hugh McIvor, Mr. Brown, Harold Calderia, Raymond Garcia, Melvin Flores, William Enos.

## *Future Farmers of America*

Farming, one of the essential industries of our community, is represented in our school by Future Farmers of America Chapter No. 113.

Ordinarily the F. F. A. is one of the school's most active organizations, and this year has been no exception. Although such entertaining features as the skating party, attendance at judging contests, and field trips had to be given up because of the difficulty of transportation the members found a great deal to do.

Meetings were held regularly with a view to planning activities and promoting better projects. An especially pleasant one was a luncheon at which the chairman of the Farm Bureau was present.

As a part of their work program the F. F. A. has built tomato beds, and dried two pounds of tomato seed. Members have also sponsored a Victory Garden drive which they advertised by means of a food display in the main hall.

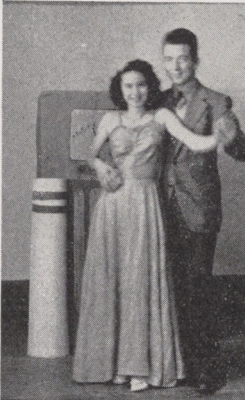

The officers were John Amaral, president; Hugh McIvor, vice-president; Ernie Pine, secretary; Frank Silva, treasurer; Frank Flores, reporter; Mr. Brown, adviser.

## *Variety Show*

This year the annual Vodvil and the Student Body Play were combined, and the Student Body presented two one-act plays, together with several comedy and musical numbers, providing two hours of excellent entertainment on two successive evenings.

The plays, "There's Always Tomorrow" and "Even Exchange," were characterized by two very able casts. The play, "Even Exchange," dealt with the problems of a young husband with an extravagant and rattlebrained wife who was always buying clothes and crazy hats, and the way in which he solved his difficulties. "There's Always Tomorrow" told the story of a stagestruck young couple and their efforts to get a part in a play through a friend who supposedly had "connections" with famous producers.

The show had two masters of ceremony—one for each night—Clifford Costa and Clifford Rogers. The various acts that were presented included "Rhapsody in Blue," a fantasy which presented a new idea, with Ebba Rae Benbow as the dancer; "Yankee Doodle Dandy" with Yvonne Soares, Richard Brunelli, Albert Silva, and Billy Bost; and the Boxing Match with John Machado and Henry Mariani as the boxers and Ken Hallen as the broadcaster. One of the freshmen girls, June Menzies, performed acrobatic stunts. Duets with two pianos were presented by Mable Enos, Albe Mae Costa, Lorraine Silva, and Frederick Costa. Dances, "Then and Now" with LaVerne Gomes, Doris Alcaraz, Joseph Lewis and Tony Cardoza, portrayed various types of popular dancing. The art students presented folk dancing, and our Glee Club gave a series of beautiful Hawaiian songs, with a dance by Dorothy Jackson.

Miss Sheila Leachman directed the Variety Show, assisted by Miss Doris Machado, Miss Charlotte Hatch, Miss Helen Rogers, Miss Evelyn Wilson, and Miss Luraine Collins as advisers of the groups. Mr. Thornburg directed the orchestra. The school "jazzband" was led by Dave Vargas. With one hundred three students and several alumni participating, the Variety Show of 1942 was immensely enjoyed by everyone.

## Christmas Pageant

The Christmas Pageant this year was "The Other Wise Man" by Henry Van Dyke, revised and put into play form by Miss Sheila Leachman, play director.

The pageant dealt with the search of Artaban, the fourth wise man, for the Christ Child. Because he stopped to help a beggar, Artaban arrived later than the other wise men. The rest of his life he spent searching for the King and reliving the sufferings of those he encountered on his way, but it was not until the day of the Crucifixion that he reached the end of his search.

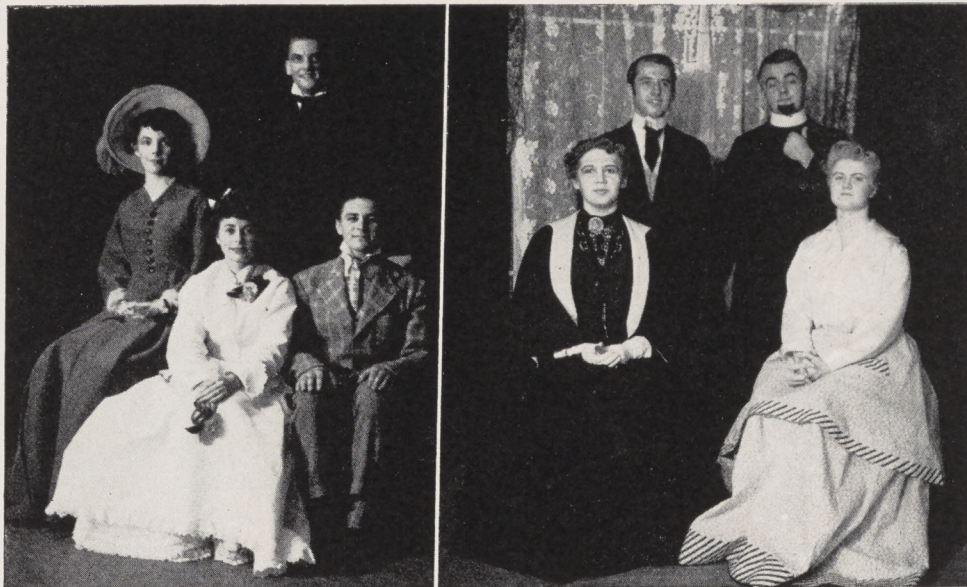

The musical background for the pageant was supplied by the chorus singing well known Christmas hymns.

The main cast of characters were: Reader, Mr. Jack Rees; Artaban, Robert Anderson; Tigranes, Robert Lewis; Adgarus, John Truscott, Abdus, Clifford Costa; Rhodaspes, Gilbert De Borba; Marsena, Herbert Dutra; Hebrew Exile, David Vargas; Mary, Charlotte Lewis; Joseph, Norbert George; Woman of Bethlehem, Yvonne Soares; Slave Girl, Joyce Karel; Three Kings, John Truscott, Robert Lewis, Clifford Costa; Shepherds, Nick Reina, Ed Cardoza, Henry Mariani, Robert Short; Soldiers, Richard Jelleff, Ray Pierce, John Machado; Rabbi, Gilbert De Borba.

Miss Leachman was assisted in directing the pageant by Miss Hatch, Miss Wilson and Mr. Thornburg.

## *Senior Play*

As their annual play the Senior Class this year presented Oscar Wilde's "The Importance of Being Earnest," a caricature of English society in Victoria's time.

Authentic costumes and furniture, donated by people in the community, were used and added to the success and hilarity of the play.

The audience, one of the largest in years, was attracted not only by the fame of the play itself, but also by the unusual posters, and came in sufficient numbers to produce an almost complete sellout.

The play was very ably enacted by:

John Worthing, J. P.....	Robert Anderson
Algernon Moncrieff.....	Dick Jelleff
Rev. Canon Chasuble D. D.....	Norbert George
Merriman, butler.....	Kenneth Calhoun
Lane, manservant.....	Rudolph Monti
Lady Bracknell.....	Marjorie Jason
Hon. Gwendolyn Fairfax.....	Juanita Galvin
Cecily Cardew.....	Beatrice Dutra
Miss Prism, governess.....	Beverley Adams

Mr. Marks, Mr. Taylor, Mr. Mathiesen, Mr. Dutra, Mr. Freitas, Mrs. Rogers, Mrs. Rose, Mrs. Nunes.

## *Custodians*

Our eight custodians are an important part of our school for, in addition to maintaining our buildings and grounds, four of them drive our busses and two are indispensable in the cafeteria, one is most important in the gymnasium, and another in our grounds.

Our bus drivers are Mr. Mathiesen, head custodian, Mr. Taylor, Mr. Marks, and Mr. Dutra. In addition these four are busy all day about our buildings and grounds seeing that everything is in running order.

Out of doors we will find Mr. Freitas planting or pruning, keeping the gardens and shrubs in good order and at their best appearance, and always seeing that we have flowers for the arrangements that we enjoy seeing throughout the school.

Mrs. Nunes can be found in the gym and she sees that we always have clean towels on hand.

In the cafeteria Mrs. Rose and Mrs. Rogers cook the good dishes we enjoy at lunch time.

## Junior Red Cross

The Junior Red Cross was organized in our school seven years ago but has become increasingly active in the past three years. Membership is open to all of the students in the school upon payment of a fee of 10c and almost all of the school belongs to this organization.

The activities are directed by a council composed of the elected officers and committees. This year the first activity was the making of joke books and scrap books for the boys in the service. Next a Victory Book Drive was held.

In March the Junior Red Cross gave its annual dance using a patriotic theme for the decorations with WAACS, WAVES, soldiers, sailors, marines, Uncle Sam, and a Red Cross Nurse represented. The dance was a success both financially and from the point of view of entertainment.

The group is headed by Gloria Furtado, president; June Rose, vice-president; Mildred Martin, secretary; Louis Rocha, treasurer; and Miss Fournier, adviser.

**Standing:** M. Brunelli, M. Grace, D. Enos, J. Rose, K. Cline, L. Rocha, L. Goularte, P. Hernandez, D. Freitas, Miss Fournier, A. Silva, R. Daviner.

## Foot

This year the Washington Huskers wondered if they would be able to have football when the opening of school was postponed to allow for tomato picking and other necessary work. However they found field work a fine beginning for the season and turned out for practice as soon as school began.

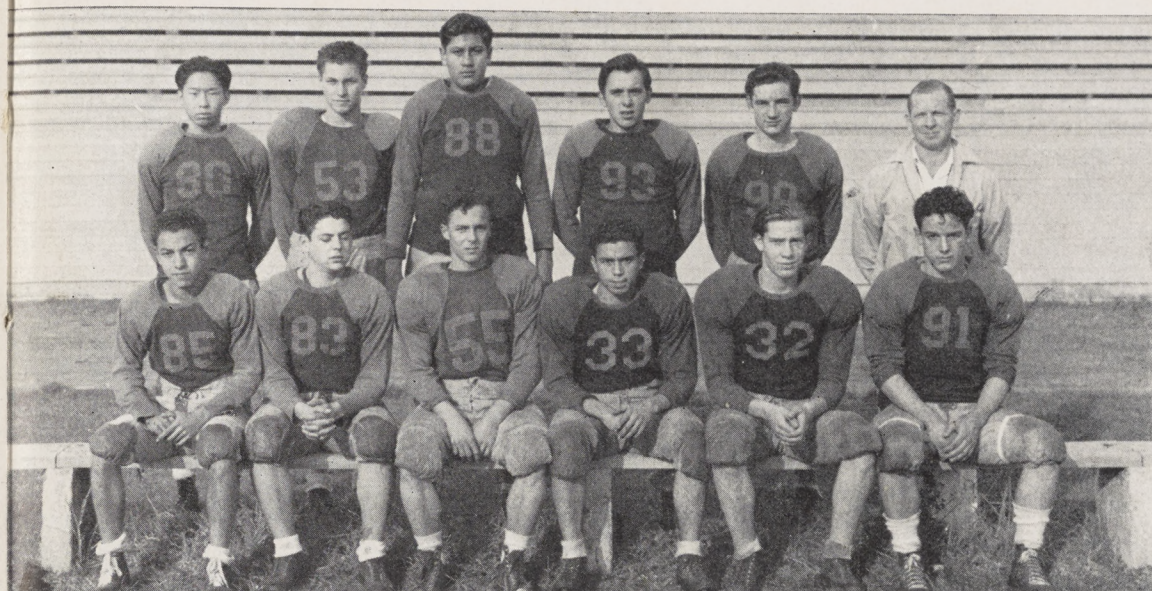

The spirit of the team was exceptionally good in practice although there were only two games to look forward to.

The first one was played with Livermore on Armistice Day. After a hard fighting game the Huskers came out on top with a score of 26-28.

The Huskers' next game was with the all star alumni team. The alumni picked many fine players from some of Washington's teams in the past years and after a rugged game the Huskers were defeated with a score of 14-0.

The seniors who turned in their suits for the last time this fall were Captain Ken Calhoun, Ken Hallen, Reuben Ramos, Moses Oliveria, Frank Silva, Frank Rogers,

# ball

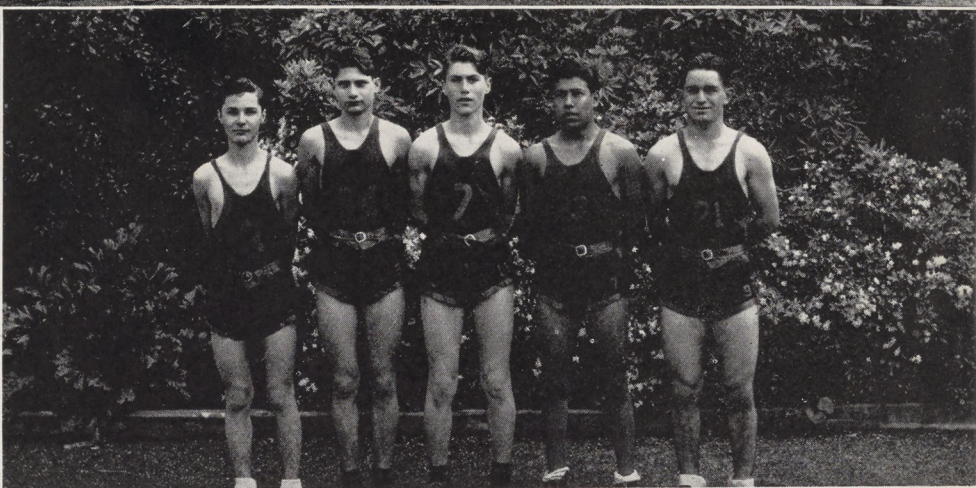

Frank Perry, Jack Allen, Perry Allen, Reuben Lorenson, Leonard Laudenslaughter, Eddie Brazil, Eddie Kuegeman and Dick Jelleff.

Some of the problems of next year's team will be to replace Ken Hallen's punting ability and of course the flashy halfbacks, Reuben Ramos and Moses Oliveria. It will also be hard to replace Captain Ken Calhoun and Dick Jelleff who were always charging and tackling in there at guard position.

Some of the fellows who still remain on the squad are Louie Rocha, Wayne Calhoun, Ray Peirce, Theodore Lira, Stanley Alameda, Herman Mesquite, Rudy Alonzo, Stanley Maffey, Lloyd Darneal, Russel Rose, and Henry Chieng. Much credit should be given to Coach Hird for producing such a fine team in his first year in our school.

Although our season was brief, the games were enjoyed by the boys and by the rest of the school.

## Basket

As there were no regular league games this year, the varsity challenged the Alumni to two games, the Alumni proving themselves to be too powerful for our sturdy Huskers.

The Alumni team was made up of such ex-varsity stalwarts as "Herk" Freitas, Jack Silva, "Flash" Furtado, Eddie Bettencourt, Elden Mohn, Birtch Burtchem, and Lewis Havey.

On the varsity squad were Ken Hallen, Frank Rogers, Ernie Machado, Mickey Rose, Ray Pierce, Perry Allen, Bob Dutra, Stanley Alameda, Wally Ebright, Reuben Ramos and Stanley Maffey.

There were also intramural games. Each Physical Education class had from two to eight basketball teams. These teams played among themselves to determine the champions of each period. The runners-up were Rogers' second period team and Ross' third period team. They lost to Dutra's fifth period and Machado's sixth period teams. For an assembly the two winning teams played the final game, and the championship went to Machado and his team with a score of 26-20. This was the final organized basketball game of the season.

In the B teams, George Hicks' second period team and Hernandez' fifth period boys played for the championship. The score was 15 to 11 in favor of Hicks' team.

## *Track and Boxing*

This season track events were held during gym periods. There were five places for each event, Seniors and Freshmen competing against Juniors and Sophomores.

Boxing was introduced this year as part of the physical fitness program. The features stressed were the left jab and the uppercut, very important in bayonet drill.

The first boxing carnival, held on February 19, included sixteen bouts, the contestants ranging in weight from 90 lbs. to 185 lbs. Considering restrictions on traveling, the attendance of 700 was remarkable. Because of the popularity of the carnival, it is possible that these bouts will be continued.

## Girls'

Girls' sports can be said to have been more interesting this year than ever before. This fact is due, perhaps, to the splendid physical fitness program.

Its purpose was to build greater endurance, strength, and agility. Some of the new standards for general fitness were the ability to do push-ups, pull-ups, the standing jump, and run the obstacle course. Specific requirements for passing the physical fitness test were as follows: to be able to do ten burpees in twenty seconds; to be able to run the quarter-mile in 1.17 minutes, or to run the half-mile; to do exercise eleven three times in succession; and to do the standing high jump

of 14 inches or better. Those girls who passed the test were given insignia. The obstacle course was built primarily for the boys, but the girls also participated in these strenuous exercises. The girls were graded according to participation, ability, and achievement.

The old sports still prevailed, however, and the after-school games were continued. The hockey championship was won by fifth period; the basketball championship by second period, and as the Annual goes to press, the baseball, speedball, and volleyball champions have not yet been determined.
